

WESTPORT ISLAND HISTORY

Family Scavenger Hunt

Use this map to walk the trails and look for the items pictured on this page. On your way, you will pass the cellar holes of four houses that once stood here along Squam Creek. Pause at each homesite and read about the families who lived here. Visit the family cemeteries and learn more about Westport's earliest settlers!

Note: The Scavenger Hunt requires approximately 2 miles of walking. Plan on taking 1-2 hours to complete the loop.
