

Let's start exploring!

Visit a natural place (a park, schoolyard, or backyard) and check off the scavenger hunt items below.

Hide & seek: Look under leaves, dirt, & logs to find bugs or worms.

Sign of an animal: Find feathers, tracks, or droppings.

Sun catcher: Leaves capture sunlight to make food for plants. Find 3 leaves with different shapes.

Perk-up & listen: Can you hear 4 different sounds?

Sleepy seeds: Find a seed that's ready to grow (examples are acorns, pine cones, pods, dandelion seeds)

Creature comforts: Locate a home used by animals in a tree or the ground; under a stump or stone.
